

ASN PREDOCTORAL FELLOWSHIP APPLICATION

Application Deadline: January 2, 2018

STUDENT INFORMATION:

1. Name: _____

2. Primary Address: _____ Permanent Address (Home): _____

3. Telephone: _____ E-mail: _____

INSTRUCTIONS: Prepare (1) a statement not to exceed one typewritten page, written for a non-scientific audience, explaining the contribution of the proposed research to knowledge in nutrition, and (2) a summary of your research proposal not to exceed four single-spaced typewritten pages including objective, experimental approach and selected references. For both the statement and summary, the proposal title should appear at the top of each page, your name or the name of your institution should not be included, and a twelve-point font should be used with one-inch margins throughout. Applications that fail to comply with the guidelines will not be reviewed. When completed, the statement and summary should be included in one file in PDF format, with the statement as the first page. The review committee will evaluate significance, feasibility, communication and clarity, as well as overall scientific technical quality of your proposal.

4. TITLE OF PROPOSAL:

5. CERTIFICATION:

Date current graduate work began: _____
